## Preface

The Profile of Students enrolled at The University of Iowa, First Semester 1982-83 should have a brief explanation as follows:

1. A cut-off date of September 15 was used for all Fall 1982-83 enrollment statistics to achieve consistency both within the Profile and with other enrollment reports published by the University. Because of this cut-off, however, some reports contain a greater number of uncoded variables as a result of time constraints in processing student materials. In the case of ACT figures, the "missing information" columns reflect a number of waivers for incoming transfer students, in addition to a number for whom ACT scores were obtained but too late to be included in these tables.
2. Entrance examination scores for the Graduate College, and the College of Business Administration will be reported for the previous year's classes in order to include all available information compiled in these areas and to more accurately reflect the range of scores for the entire entering classes. The early date of preparation would have allowed inclusion of only a fraction of these scores for students entering Fall 1982. The Professional Colleges of Dentistry, Law and Medicine entrance examination scores and g.p.a. data will be reported for the Fall 1982 classes.

Further clarification of materials contained in the Profile may be obtained by contacting Jean Lawrence or W. A. Cox, Office of the Registrar, 353-3452. Suggestions for modifications will be welcomed.

## Facts at a Glance

Total enrollment at the University is 28,140 for the first semester 1982-83, an increase of 1,676 (or 6.3%) over the previous year. Seventy-nine percent of the students are enrolled full-time. Fifty-two percent of the students are men. The largest college is Liberal Arts, enrolling 60.4% of the total; the Graduate College follows with 20% of the total.

Students come to the University from every Iowa county, all fifty states and 84 foreign countries. Iowa residents comprise 71.8% of the total enrollment; 16.3% of the total reside in adjoining states; and 5% reside in foreign countries. Thirty-two percent of the non-Iowa students are enrolled in the Graduate College.

The most popular undergraduate majors are business administration, 1246; engineering with 1148 students; journalism, 687; education, 639; pre-computer science, 618; communication and theatre arts, 545; nursing, 514; English, 437; B.G.S., 429; psychology, 427; art and art history, 403; pharmacy, 339; political science, 313 and music 313. Sizable numbers of students are also enrolled in the following pre-professional programs: pre-business, 3392; pre-medicine, 559; pre-nursing, 544; pre-law, 225; pre-dentistry, 142; pre-engineering, 102. Thirteen percent of the undergraduates have an open (non-declared) major. At the graduate level the most frequently selected major is education with 965 students, followed by English, 369; engineering, 366; M.B.A., 288; music, 247; art and art history, 180, communication and theatre arts, 176; and social work, 164.

Approximately 15% of the students are married compared to 23% five years ago. Sixty-nine percent of the married students are enrolled in the Graduate College and the Colleges of Dentistry, Law and Medicine.

Twenty-four percent of the students live in University owned housing, either in dormitories (20.9%) or family housing units (3.3%). Five percent live in fraternity and sorority houses and 10.7% commute from outside the Iowa City area. Two percent live at home in Iowa City and the largest group, 57.5% live off-campus in Iowa City.

The median age of the total student body is 22. The median age for undergraduates is 20; the median age for graduate students is 29; and the median age for students in the professional colleges is 25.

During the year 1981-82, a total of 4,868 degrees were awarded by the University; 2867 bachelor's degrees; 467 degrees in Dentistry, Law and Medicine; 1218 master's degrees; and 316 Ph.D. and D.M.A. degrees.

### New Students

Twenty-six percent of all students on the campus this fall are new to the University. The number of entering freshmen has increased by 286 students (7.0%) from the previous year, 4096 compared to 3810 in 1981-82. The number of transfer students new to the University increased by 71 students (2.2%) from 3118 in 1981-82 to 3189 in 1982-83.

Sixty-two percent of the new transfer students are Iowa residents; they represent 96 Iowa counties. Transfer students also came from 50 states and 50 other countries.

Thirty-nine percent of the transfer students came from other colleges in the State of Iowa. Of the students who transferred from other Iowa colleges, 309 entered from the other two state universities, 478 from private four-year colleges, 456 from community colleges and 8 from private junior colleges.

Seventy percent of the entering freshmen are Iowa residents; they represent 96 Iowa counties. An additional 26.3% came from adjoining states and only 3% from other states and foreign countries. Freshmen came from 39 states and 18 countries.

The quality of the 1982 freshmen class is indicated by such measures as high school grade-point average (69.6% with 3.00 or higher; 92.7% with 2.50 or above); rank in high school class (24.8% in the top tenth, 85.7% in the upper half); and ACT composite score (31.2% rank in top tenth, 91.9% in upper half of national college bound high school seniors).

Although 26% of the entering freshmen declared an open major, many freshmen did declare a major field; the most frequently mentioned are: pre-business, 888; pre-medicine, 236; engineering, 233; pre-computer science, 198; pre-nursing, 189; journalism and mass communication, 136; pre-law, 108; psychology, 96; pre-physical therapy, 92; communication and theatre arts, 79; music, 75; and education, 73.
